The AVUS value chain

Pioneer of international claims settlement

- After World War II Josef Pscheidl founded a transport company. Several severe road traffic accidents led to the foundation of a self-help organisation of freight carriers from which emanated in 1960 a loss adjuster company: AVUS.
- International transit and tourism turn AVUS into a renowned partner for Green Card cases.
- Already before the fall of the Berlin Wall in 1989 AVUS opened its first branch office in Eastern Europe (Budapest).
- Today AVUS is one of the leading service providers for worldwide settlement of damage events.
